

Wyna Roestorff

Wyna is a passionate MiniChess-teacher and supporter, loving every moment - witnessing the huge improvements MiniChess brings in children's lives. She is our valued MiniChess National Coordinator – overseeing Regional Coordination and quality-structures in our MiniChess business.

Wyna is a successful entrepreneur in her own right, co-owning two Shops with her husband in Stilbaai for 20+ years.

She obtained a B.Com. degree (Accountancy) at UP.

Wyna has been a MiniChess Teacher since 2011 – from our first brave MiniChess-moves, when we started growing on a regional basis. She was always active in MiniChess Teaching as well as assisting other MiniChess Teachers. She has also been an accredited MiniChess Trainer since 2012.

Wyna was born into a chess-loving family. Her father and mother, Piet & Wynie Robbertse started chess coaching in Pretoria in the 70's as well as starting-up schools' chess-leagues in Pretoria. Wynie Robbertse was the SA Ladies Chess Champ for 11 years and Pier Robbertse was one of the country's Top Chess players for many years. Piet Robbertse initiated the annual SA Junior Chess Championship event, which now hosts 2500+ chess-players from around the country and also qualifies the Junior National players who represents SA annually in international tournaments. Piet Robbertse was also the mastermind behind the Inter-Provincial Junior Chess Championships – allowing youngsters to obtain Junior Provincial colours for Chess.

Wyna became the first girl winning the (then) N-Transvaal Primary Schools-trials, the Lubowski tournament, with a 7/7-score – and probably still is the only one to boasts such a magnificent record! She represented N-Gauteng for many years and was awarded Senior Provincial colours in high school. She has always loved Chess - started chess-coaching in her grade 11 year.

While studying at UP, she played for the University A-team.

She was involved in coaching chess in the Southern Cape and accompanying the S-Cape Chess teams to National Tournaments.
